

Michael D. Nelson

SENIOR ADVISOR

Office Denver
Contact E: mnelson@wbklaw.com
 P: 303.626.2326
 F: 202.783.5851

Michael has spent the past twenty years shaping the legislative, regulatory, and public policy landscape for energy, media, and technology companies. Believing that every day starts at zero, Michael brings a competitive drive that secures WIN-win outcomes for his clients. Having broad experience across diverse business functions, combined with experience working across a diverse client base allows Michael to develop solutions many cannot see. Deep focus on small details and strong organization skills enables Michael to manage multiple projects simultaneously. Michael's peers say trademark has been his ability to create deep and meaningful relationships with key players and coworkers. Michael quickly builds trust through his ability to connect with people to quickly understanding their motivations and goals. Known as a fair player who plays the long game, Michael assures even his opposition walks away feeling they were treated fair and heard. Michael has a passion for leadership and assuring his team is growing, and all are rowing in towards the common goal.
