F: 202.783.5851

Though he shares a name with a famous actor, the closest Adam Sandler has ever come to a camera or microphone is counseling broadcast and media clients on regulatory and transactional matters before the Federal Communications Commission and other agencies.

Adam helps broadcast and media companies of all sizes navigate the media regulatory, policy and business landscapes by drawing upon more than 15 years' experience gained at the National Association of Broadcasters and as an executive for the Nevada Broadcasters Association.

PRACTICE AREAS

Broadcast – Radio and Television

BAR ADMISSIONS
