F: 202.783.5851

Glenn G. Werner has been assisting clients in a broad range of telecommunications regulatory matters since 1995. He has substantial experience providing FCC regulatory compliance support to wireless, satellite, cable, and broadcasting companies as well as FCC regulated telecommunications equipment manufacturers. Glenn has assisted clients in numerous FCC merger and acquisition transactions, FCC spectrum auctions, various FCC licensing and compliance matters, CMRS spectrum aggregation and analysis issues, general frequency allocation and usage issues, and FCC experimental licensing matters.
