Katie is a passionate energy advocate and her background in policy lends a unique perspective in counseling utilities and energy suppliers. Katie earned her J.D. from Wake Forest University where she wrote for the Journal of Law and Policy and competed in the trial bar. During law school she advised the North Carolina Conservation Network on an environmental justice policy position as a student attorney for the Wake Forest Environmental Law and Policy clinic.

Earlier in her career, Katie organized a solar energy campaign for Environment Colorado, drafted policy positions at the Colorado Senate and worked in the Environment and Natural Resources section of the Colorado Attorney General's Office. Katie earned her B.A. in Environmental studies and Psychology from the University of Notre Dame.
