

Timothy J. Cooney

PARTNER

Office Washington DC
Contact E: tcooney@wbklaw.com
P: 202.783.4141
F: 202.783.5851

Tim does not limit himself to one segment of the communications industry. If you have a communications question, Tim can help find an answer. He works with manufacturers on equipment authorization, importing, marketing, labeling, hearing aid compatibility compliance; with broadcasters on children's TV reporting, commercial limits and website rules, contests, non-commercial enhanced underwriting compliance, closed captioning, C-band transition, emergency alert system (EAS) compliance and reporting; satellite operators and others on earth station licensing and Special Temporary Authority (STA); with carriers on foreign ownership and Team Telecom approvals, wireless and wireline transactions, submarine cable licensing, auctions, broadband grant programs, and Universal Service Fund issues; and with each in FCC rulemaking and waiver proceedings and in enforcement investigations.

PRACTICE AREAS

Telecommunications and Media
Communications Transactions
Communications and Internet Equipment
FCC Enforcement
International and Space Communications
Wireless Communications and Spectrum Policy
Transportation and Emerging Technologies
Internet of Things
