EDUCATION

Not a lawyer but WBK's mascot and a world-traveler at heart, Weber joined WBK as its "Not Take Ourselves Too Seriously Officer" in 2014. Armed with his trademark technology belt, Weber can keep moving forward. Smartphone? Check! Tablet? Check! Gaming controller and stylus? Double check!

Born to humble mechanical roots, Weber is smart and inquisitive and the first in his family to be a mascot for a law firm. Weber might be found at the beach with his wife, Webra, travelling the world, or at his nearest tech store scoping out the latest and greatest.
